

# Water Sensor Range Extender

## Assembly Instructions

1

Peel the protective film from the back of the sensor.

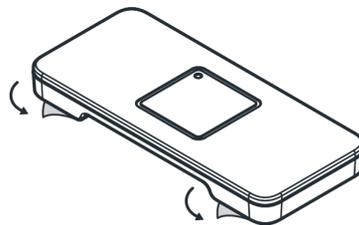

2

**Orientation matters:** Make sure the dot on the sensor is aligned with the dot on the range extender.

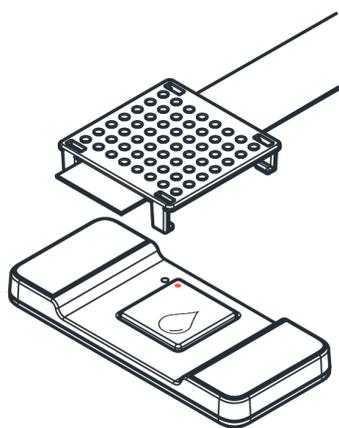

3

Attach the sensor to the range extender.

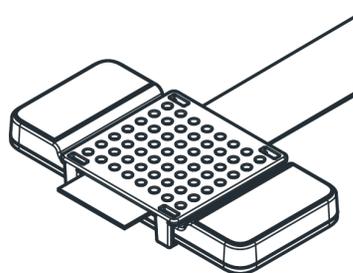

4

Peel the protective film from the back of the range extender and install it on a clean surface.

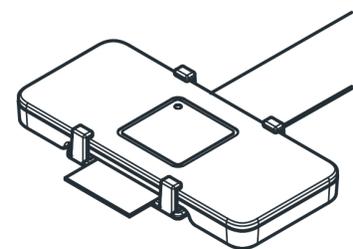

5

Align the textile with the plastic clip, like shown in the figure

6

Press the clip and textile on the range extender together.

7

Peel the protective film from the back of the range extender.

### Optional steps for textile add-on
